TO WHOM SO EVER IT MAY CONCERN

This is to certify that we have been using the product SWADEEP-02 EC 5kW 1P manufactured and supplied by M/s. Kakatiya Energy Systems Private Limited, for automatic control of Container yard lighting of the Jawaharlal Nehru Port Trust, Navi Mumbai. We found the performance of these products to be satisfactory and free from any time and clock settings. We also found that the switching light level judgement is quite appropriate and do not require any human interference.

TO WHOM SO EVER IT MAY CONCERN

This is to confirm that we have been using various models of Swadeep Nature Switches manufactured by Kakatiya Energy Systems Private Limited, Hyderabad for the purpose of automation of the campus lighting & street lighting circuits at Dhirubhai Ambani Knowledge City (DAKC), Navi Mumbai.

We found these Nature Switches to be superior to timer based systems.

The working of these Nature Switches was found satisfactory even during heavy monsoon.
