## TO WHOM SO EVER IT MAY CONCERN

This is to certify that we have been using NATURE SWITCH manufactured and supplied by Kakatiya Energy Systems Private Limited for automatic control of outdoor lighting at BIAL campus for the past 3 years. The performance of the product is good and is free from any clock and time settings. The judgement of the device with regard to DUSK and DAWN is found to be satisfactory and is in accordance with the expectations of BANGALORE INTERNATIONAL AIRPORT LTD in this respect.

## TO WHOM SO EVER IT MAY CONCERN

This is to certify that we have been using 'Swadeep' Nature Switches for the past 18 months for the automation of street lighting. We found the performance of switches to be satisfactory and free from any time and clock settings. We also found that switching light level judgement is quite appropriate and do not require any human interference.
